

# SIGHT FOR STUDENTS

## Important Program Details

The program is fully administered by VSP Global®.

A Social Security number (SSN) is not required to use gift certificates provided by the program. *Updated certificates will include a pre-populated Patient ID number instead of a space for a SSN. Certificates that have a space for a SSN can still be used until they expire. If no SSN is available, contact VSP Global® for the Patient ID that can be entered into the SSN space.*

## HOW TO QUALIFY SIGHT FOR STUDENTS

Operating through a network of community partners, gift certificates provide children in need with no-cost eye care and glasses from a local doctor.

For a child to qualify for the program:

- Family income is at or under 200% of federal poverty guidelines.
- Child is 19 years old or younger and has not graduated from high school.
- Does not have any vision insurance (including Medicaid or other government programs that cover routine eye exams).
- Can only use this program once every 12 months
