# Mrs. Lancaster, Band Director

Welcome back, Tigers! My name is Mrs. Lancaster, and I am the band director here at Pine View Middle School. This will be my 14th year teaching, and my 9th year teaching at Pine View. Outside of school hours, I am a professional musician specializing in trombone, percussion, and tuba. This year I will be teaching music in the classrooms during the school day and then offering band classes after school. I am excited to start some 5th graders in their quest to learn an instrument. 6th grade students will have the opportunity to continue their instrumental studies, as well as be eligible to audition for the Tiger Jazz band! Together, we can rock this school year!

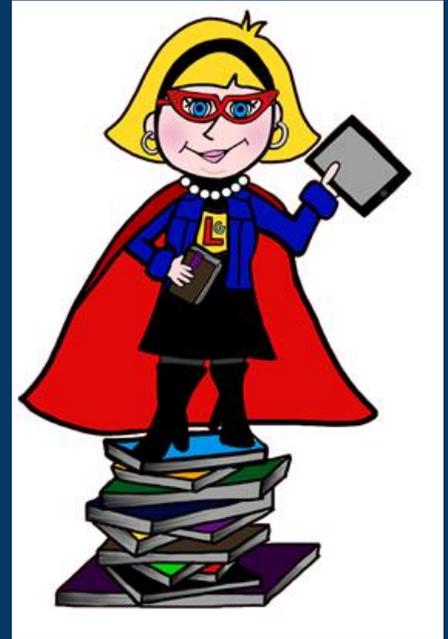

# Ms. Malone, Library Media Specialist/Teacher

**Together we can READ and go Anywhere!**

PVMS Tigers, I am your librarian who—  
(yep)—loves to read. Give me a book and lose me  
for hours. I have majors in both Elementary  
Education and Library Media. Teaching library  
skills, learning to navigate our world through the  
shelves and online information, sharing great reads  
with you, and ordering new books—(it's like  
Christmas when they come in)-- are things that I do.

***Cool People Read!!!***

# Ms. Moses, Music Teacher

Welcome Pine View Tigers!

My name is Erica Moses, and I am your classroom music teacher. I have been teaching for 26 years. Music is absolutely necessary in our society. It promotes self-expression, stimulates the mind, and it's a language everyone can speak. I'm grateful for the opportunity to share my gifts, knowledge, and talents with you. So get ready for a year of exploring the art of music. Put a tune in your voice and a tap in your feet. Get ready to enjoy music with me!

I am excited to be a part of the Pine View family and work with the kids in this community!.

This year, we also have 2 new coaches for P.E.:  
Coach Alford and Coach Pabon-Martinez

# Mr. Serban, Strings Instructor

Hello Pine View Parents and Students!

I am so happy that you chose strings this year! Playing a stringed instrument provides a unique opportunity for music expression and increases brain activity applicable to all academic subjects.

It is my hope to introduce you to a wonderful experience with music that will carry over into all aspects of life. In addition to learning how to play an instrument, physical skills such as manual dexterity, coordination, and memorization are enhanced. Emotions, confidence, frustration, and the handling of it, joy and success are felt. Self-expression, creativity, and communication are encouraged.

Your first steps to success start at Pine View Middle this Year.  
I cannot wait until we get to make beautiful music together!
