

Accessing Google Classroom and Google Meet from Home

Even if you are without your chromebook, you are still able to access your Google Classroom, assignments, and/or Google Meet from any computer or laptop. You do not need your school issued chromebook.

Here is how:

- Go to google chrome and go to google.com
- At the top right of google, there should be a sign in button. Click on it.
- It will then ask for your email and password.
- Your email is your [ID#@student.stpsb.org](mailto:ID@student.stpsb.org)
- Example: 1234567@student.stpsb.org
- Your password is the regular password you use to log into your chromebook.
- Then login. After logging in, another screen will pop up. It should be an stpsb screen.
- Type in your ID# (not email, just number) and password.
- Then you should be logged in and can access your classroom by clicking on the “waffle” in the top right corner.
