
Welcome!

Pine View Middle School Meet and Greet 2020

Introducing the...

Enrichment Team

Band
Library

Computer Lab
Music

ESL
PE

Mrs. Lancaster, Band Director

Welcome back, Tigers! My name is Mrs. Lancaster, and I am the band director here at Pine View Middle School. This will be my 13th year teaching, and my 8th year teaching at Pine View. Outside of school hours, I am a professional musician specializing in trombone, percussion, and tuba. This year I will be teaching music in the classrooms during the school day and then offering band classes after school. I am excited to start some 5th graders in their quest to learn an instrument. 6th grade students will have the opportunity to continue their instrumental studies, as well as be eligible to audition for the Tiger Jazz band! Together, we can rock this school year!

Mrs. Lewis, P.E. Teacher

Hello Pine View students and parents! I am Mrs. Lewis, Pine View Middle School's Physical Education Teacher. I work with all students in our school to increase their knowledge of health and promote physical activity.

I also coach an after-school program at PVMS called Girls on the Run.

While this year presents everyone with new challenges and stressors, I hope students will come to realize the physical and mental benefits of being active.

Ms. Malone, Library Media Specialist/Teacher

Together we can READ and go Anywhere!

PVMS Tigers, I am your librarian who—
(yep)—loves to read. Give me a book and lose me for
hours. I have majors in both Elementary Education
and Library Media. Teaching library skills, learning
to navigate our world through the shelves and
online information, sharing great reads with you,
and ordering new books—(it's like Christmas when
they come in)-- are things that I do.

Cool People Read!!!

Ms. Matherne, Computer Lab Teacher

RCI- Reading Comprehension Improvement

Welcome to Pine View Middle School for the 2020-21 year. My name is Ms. Matherne and I am your RCI teacher. RCI stands for Reading Comprehension Improvement. This is my 33rd year teaching and I am so excited to share my wealth of knowledge with our students. We will be working on Achieve 3000 and Commonlit computer programs. Both of these are excellent resources to improve your reading and prepare you for the future. I can't wait to get started!!

Ms. Moses, Music Teacher

Welcome Pine View Tigers!

My name is Erica Moses, and I am your classroom music teacher. Music is absolutely necessary in our society. It promotes self-expression, stimulates the mind, and it's a language everyone can speak. I'm grateful for the opportunity to share my gifts, knowledge, and talents with you. So get ready for a year of exploring the art of music. Put a tune in your voice and a tap in your feet. Get ready to enjoy music with me!

Mrs. Panks, P.E. Teacher

Hello Pine View students and parents! I am Coach Panks, and I am new to Pine View Middle School's Physical Education Department. I will be working with Mrs. Lewis on Tuesdays and Thursdays. Although this year may look different, my goal is to help my students learn the value of activity for health, recreation, social interaction and more.

Mr. Serban, Strings Instructor

Hello! My name is George Serban and I am the Strings Instructor at PVMS.

Enrolling your child in strings class is a very smart decision. Playing a stringed instrument provides a unique opportunity for music expression and increases brain activity applicable to all academic subjects.

Teaching your child simply to play an instrument is not my only goal, nor is it to make a concert violinist out of your child. It is my hope to introduce your child to a wonderful experience with music that will carry over into all aspects of life.

In addition to learning how to play an instrument, physical skills such as manual dexterity, coordination, and memorization are enhanced. Emotions, confidence, frustration, and the handling of it, joy and success are felt. Self-expression, creativity, and communication are encouraged.

I look forward to teaching my students and to guide them into their first steps to success!

Mrs. Gaten, ESL Teacher

Hello Pine View students and parents! I am Mrs. Gaten, Pine View Middle School's English as a Second Language Teacher. I oversee the school ESL staff which includes ESL Instructional Aides Mrs. Jenkins and Mrs. Montalvo. My biggest job is helping ESL students learn the English language. However, I also provide support for ESL students in their ELA classes, conduct ESL interventions, and teach ESL students about American culture. I am excited to serve our ESL students and families!

— Together we can...

ENRICH PVMS students!

Let's have a great school year!
